Active Transportation Program Workgroup Update

As the next step in the development of the ATP guidelines, we have formed several subgroups and are scheduling additional workgroup meetings. The list of the subgroup members is attached. In order to try and make the subgroups more efficient we limited the size of the subgroups. Therefore, not everyone who asked to participate was included, and only one person was included in a subgroup from any one organization (with the exception of Caltrans). We will report back to the workgroup on the efforts of the subgroups. Additionally, any member of the workgroup wanting to provide input to one of the subgroups should feel free to contact me or one of the subgroups members.

We are also scheduling workgroup meeting at the following times:

Friday, December 20 at 1:00

Monday, December 30 at 1:00

Tuesday, January 7 at 1:00

~~Tuesday, January 14 at 1:00~~ Monday, January 13 at 1:00

One may participate in the workgroup meetings remotely (phone number: 636-651-3128 participant code: 254585) or attend the meetings in person (Caltrans, 1120 N Street, Room ~~2116~~ 2225, Sacramento, CA).

Questions about the program can be addressed to Mitchell Weiss (916-654-7179, mweiss@dot.ca.gov).

Questions about workgroup participation can be addressed to Doug Remedios (916-654-4245, Douglas.Remedios@dot.ca.gov)
